

NEBOSH Training

HSE Award in Managing Risks & Risk Assessment (RAW)

NEBOSH HSE Award in Managing Risks & Risk Assessment (RAW)

Develop straightforward, practical health and safety risk management skills so you can go beyond risk assessment, to effectively control the health and safety risks caused by hazards in your workplace.

Persons concerned

Anyone involved in managing workplace health and safety risks including those who undertake risk assessments. The content will be particularly useful to employers, managers, supervisors, SHE champions and union and health and safety representatives.

Prérequis

Lire et écrire français (pour la formation en français) ou anglais (pour la formation en anglais).

Objectives

When you have completed the qualification, you will be able to:

- Identify hazards and be aware of some of the resources that can help.
- Assess risks in low to medium risk premises using simple HSE tools.
- Evaluate risks in a proportionate and sensible manner.
- Identify suitable control measures.

NEBOSH Training

HSE Award in Managing Risks & Risk Assessment (RAW)
