

NEBOSH EMC - Only in English

Environmental Management Certificate

The NEBOSH Environmental Management Certificate is a globally relevant qualification. You will be able to help your organisation manage its positive and negative environmental aspects and support the implementation and continuous improvement of effective environmental management systems.

TARGET AUDIENCE

This qualification is designed for anyone who has responsibilities for managing environmental issues as part of their work. The qualification is designed to be globally relevant and benefit companies in all industry sectors who are seeking to implement effective environmental management systems, increase positive environmental impacts, and reduce negative environmental impacts.

PREREQUISITES

- Read and write English (professional level).

OBJECTIVES

The Environmental Management Certificate (EMC) will allow you to:

- Understand a range of environmental issues in order to improve performance and reduce harm;
- Work with an environmental management system and contribute to continual improvement;
- Recognise environmental aspects and evaluate current controls;
- Support decision-making with ethical, legal, and financial arguments;
- Understand the links between your organisation's activities and wider environmental issues.
