COURSE CONTENT

The IGC NEBOSH training is divided into 2 units : GIC1 and GIC2. Each unit is assessed separately.

WEEK 1

GIC1 : Management of International Health and Safety (5 days)

Syllabus :

- Why we should manage workplace health and safety
- How health and safety management systems work and what they look like
- Managing risk – understanding people and processes
- Health and safety monitoring and measuring

WEEK 2

GIC2 : Risk assessment (5 days)

Syllabus :

- Physical and psychological health
- Musculoskeletal health
- Chemical and biological agents
- General workplace issues
- Work equipment
- Fire
- Electricity

ASSESSMENT

GIC1 : Open Book Examination (OBE). 24 hours to complete the exam - Approximately 4 hours of personal work. Approximately 10 (open) tasks/questions that can be divided into several sub-tasks/questions..

GIC2 : Practical exam: company risk assessment to be completed no later than 10 days after the OBE. Part GIC1 must also have been taken.

You must complete all units within 5 years to achieve the full NEBOSH International Certificate qualification.

REGISTRATION
